

2026 BEVO ENDOWMENT CAMPAIGN

Let's finish what we started!

**OUR CONTINUED MISSION
AND
OUR NEW HOME**

GOAL

Increase Endowment from \$3,500,000 to \$10,000,000 to fully fund:

- **BEVO Caretaking**
- **The Neighborhood Longhorns Program**
- **Silver Spur Scholarships**

BEVO Caretaking

- The Silver Spurs Alumni Association funds BEVO's truck, trailer, maintenance, transportation, and insurance—*without financial support from the University.*
- The BEVO Endowment ensures BEVO's attendance at all UT home football games, TX/OU, permitted bowl games, and other University and community events throughout the year.
- **Costs have doubled since the endowment was created in 2004.** Appearance fees help supplement Endowment funds, but we need to balance paid appearances with the safety and health of Bevo and students.

Neighborhood Longhorns Program

- The Neighborhood Longhorns Program (NLP) was created by UT-Austin to increase student retention rates, improve overall grade performance, and provide unique campus experiences for students in Central Texas Title I elementary and middle schools
- **The Silver Spurs are the recognized leader of the single largest educational outreach program run by UT's Athletic Department.**
- The Silver Spurs annually fund more than 1/2 of the funds necessary to run the program.
- The Silver Spurs collectively dedicate 25-30 hours each week to tutor kids enrolled in one of NLP's 34 participating schools.

Silver Spurs Impact

The positive impact of the Neighborhood Longhorns Program is undeniable and made possible by the monetary support and volunteer efforts of the Silver Spurs:

- 94% of NLP students increased their overall grade average.
- 84% of NLP students received awards for academic achievement.
- 89% of NLP students had excellent attendance (no more than six absences).
- 87% of NLP students improved their average grade in mathematics.
- 90% of NLP students improved their average grade in language arts.
- 85% of NLP students increased their reading scores.

Student Scholarships

The BEVO Endowment currently supports the following scholarships, administered by Texas Exes:

- The Silver Spurs/Joe M. Dealey Scholarship: given to an outstanding entering freshman male student with financial need from an Austin-area high school
- The Nancy-Jane Tucker David Memorial Scholarship: given to an outstanding student or Silver Spur/Sweetheart
- The Cuyler Duncan Memorial Scholarship: given to an outstanding student or Silver Spur/Sweetheart majoring in business
- The Silver Spurs/Lowell H. Lebermann Scholarship: given to an outstanding male sophomore student who demonstrates outstanding leadership, campus involvement, and superior scholarship

Increasing the BEVO Endowment will ensure the continuity of these scholarships and allow for the creation of new annual Silver Spur scholarships over time.
